2022 GENERAL RULEBOOK

“The rules and/or regulations set forth herein are designed to provide for the orderly conduct of racing events and to establish minimum acceptable requirements for such events. These rules shall govern the condition of all events, and by participating in these events, all participants are deemed to have complied with these rules. NO EXPRESSED OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM PUBLICATIONS OF OR COMPLIANCE WITH THESE RULES AND REGULATIONS. They are intended as a guide for the conduct of the sport and are in no way a guarantee against injury or death to a participant, spectator or official.

The race director shall be empowered to permit reasonable and appropriate deviation from any of the specifications herein or impose and further restrictions that in his/her opinion do not alter the minimum acceptable requirements. NO EXPRESSED OR IMPLIED WARRANTY OF SAFETY SHALL RESULT FROM SUCH ALTERATION OF SPECIFICATIONS. Any interpretation or deviation of these rules is left to the discretion of the officials. Their decision is final.”

Section 1. Disclaimer

- 1.1 Some items do not apply to all classes.
- 1.2 The rules and regulations set forth herein are designated to provide for the orderly conduct of racing events and to establish acceptable requirements for such events.
- 1.3 These rules shall govern the condition of all events and by participation in these events, all participants are deemed to have complied with these rules.
- 1.4 No expressed or implied warrant of safety shall result from publications of or compliance with these rules and/or regulations. They are intended as a guide for the conduct of the sport and are, in no way, a guarantee against injury or death to participant, spectator, official or track employee.
- 1.5 The track/track officials shall be empowered to permit minor deviations from any of the specifications herein, or impose any further restrictions that, in their opinion, do not alter the minimum acceptable requirements.
- 1.6 No expressed or implied warranty of safety shall result from such alteration of specifications.
- 1.7 Any interpretation or deviation of these rules is left to the discretion of the officials. Their decision is final, without appeal.
- 1.8 If there is a disagreement or dispute regarding the meaning or application of the Virginia Motor Speedway Rules, the interpretation and application by the appropriate Virginia Motor Speedway Official at the track shall prevail.
- 1.9 ALL members, including, competitors and officials, expressly agree that determinations by Virginia Motor Speedway officials as to the applicability and interpretation of the Virginia Motor Speedway rules are non-litigable and they covenant that they will not initiate or maintain litigation of any kind against Virginia Motor Speedway or anyone acting on behalf of Virginia Motor Speedway, to reverse or modify such determinations or to recover damages or to seek any other kind of relief allegedly incurred or required as a result of such determination, unless the Virginia Motor Speedway officials made such determinations for no purpose other than a bad-faith intent to harm or cause economic loss to the member, competitor or official.
- 1.10 If a member, competitor or official initiates or maintains litigation in violation of this covenant, that member, competitor or official agrees to reimburse Virginia Motor Speedway for the costs of such litigation, including attorneys' fees. Member, competitor or official further covenants that in any litigation brought against Virginia Motor Speedway for any reason, the matter will be tried before a judge of competent jurisdiction and hereby waives any right to trial by jury in such action.

2022 GENERAL RULEBOOK

- 1.11 The Virginia Motor Speedway Officials may make special rules for an event due to extraordinary conditions. Such special rules shall apply to the conduct of that event if they are published or announced prior to the commencement of the event by means of a bulletin, newsletter, telephone, fax, or pre-race meeting.

10.3 Children under 18 must have minors release signed by parent or guardian.

Section 11. Rules of Engagement

11.1 Timed Qualifying: Heat Race

11.1.1 Competitors will be called to the line to qualify or for heat race.

11.1.2 Qualifying will begin at a pre-designated time.

11.1.3 After it is announced that qualifying or heat racing is over for a division, no more drivers from that division will be allowed to qualify or heat race.

11.2 Lineups:

11.2.1 All drivers must attend the drivers meeting or start at the rear of their feature.

11.2.2 All drivers must be able to make their designated heat to be able to compete in feature. Drivers will not be able to change heats. NO EXCEPTIONS.

11.2.3 If a car is unable to start a race, all cars behind that position will advance straight forward. This does not include a push start from grid.

11.2.4 All cars should be lined up for their event prior to the completion of the preceding race.

11.2.5 Any car not in his starting position when the pace lap begins will fall on the rear.

11.2.6 Any car not on the track when the green flag drops will NOT be allowed to complete in that race.

11.2.7 All feature events will be limited to a maximum of 26 competitors.

11.2.8 If you are on the track during the parade lap(s), you are considered as having started the race.

11.3 Start/Restart (Green Flag):

11.3.1 All initial starts will be two wide.

11.3.2 The Flagman will start the race.

11.3.3 All restarts will be double-file until first lap is scored.

11.3.4 The race leader may restart the race in the area designated by the Competition Director.

2022 GENERAL RULEBOOK

11.3.5 If not restarted by the race leader in the designated area, the Flagman will restart the race.

11.3.6 Anyone jumping the start/restart will receive a stop and go penalty.

11.4 Caution (Yellow Flag):

11.4.1 After excessive yellow flags, caution laps will count. Counting of caution laps will stop after the field takes the "2 to go". When racing resumes, it will be Green, White, Checkered.

11.4.2 Two spin rule: Any car spinning out twice, on their own, in one race will be sent to the pits and not allowed to complete that race.

11.4.3 Any car considered as being involved in the caution and must go to the rear unless the car has stopped to avoid hitting wrecked cars.

11.4.4 Any car initiating contact resulting in a caution is considered as being "involved" in the caution and must go to the rear.

11.4.5 If the yellow comes out after the white flag, the race will finish under yellow. Competitors should pass disabled cars ONLY. Sportsmanship and common sense are the rules here.
